BROADCASTER HANDICAPPING TALKING POINTS: HOW MID-OHIO & THE FINAL 4 RACES SHAPE UP

1. THE MID-OHIO CURVEBALL (NOV 4)

Moving Round 3 from Road America to **Mid-Ohio Sports Car Course** (due to iRacing Truck setups) shakes up the title math! In BRL's only prior Mid-Ohio race (S12), **#2 Nick Nickerson** won from the pole and led 39 of 40 laps with 0x incidents—while **#7 Benjamin Lacy finished 20th (Q23, 9x)**! Meanwhile, **#31 Gibson (P5, 0x)**, **#00 Knaak (P7)**, and **#8 Foster (P10)** all ran Top-10.

2. R18 KANSAS & R21 HOMESTEAD (1.5-MI)

Because Mid-Ohio is treacherous, tonight's 1.5-mile showdown at Kansas is even more critical for oval specialists. **#7 Lacy** (155 intermediate laps led), **#22 Adams** (134 led, Charlotte win), **#93 Sanderson** (Vegas 0x win, Texas P3), **#9 McDonald** (Texas win from P23), and **#47 Rakes** (5-for-5 Top 10s, Kansas 1 win) must bank stage points tonight.

3. R20 PHOENIX PENULTIMATE SHOWDOWN

Just three weeks ago in Race 15 at Phoenix, **#9 Dylan McDonald** swept the night for a massive **64-point haul (P1)** ahead of **#2 Nickerson (P2, 46 pts)**, **#00 Knaak (P4, 44 pts)**, and **#93 Sanderson (P5, 43 pts)**. If McDonald or Nickerson exits Mid-Ohio within 15 points of the lead, Round 4 at Phoenix will be electric!
